

Tentative Agreement:

Article IV.Q Health and Safety Committees

Should a health or safety concern emerge, the College will form a health and safety committee in order to inform efforts to address the concern. The Union reserves the right to appoint a number of representatives from their membership as deemed necessary. The Union may substitute representatives as needed.

Either USofCC or the College can request the commencement of impact bargaining by providing written notice to the other party.

For the Union:

X

10/21/2024

Craig Sigale
USofCC President
